Hell yeah, it's Toilet Tuesday, and we've got a shitload of new releases for you this afternoon. Besides a new release from one of the Batushkas (which we've highlighted), I personally recommend giving Nekroí Theoí and Towering a listen. As always, let us know in the comments if there's any other good stuff we should check out.

In religion and folklore, Hell is an afterlife location in which evil souls are subjected to punitive suffering, often torture as eternal punishment after death. Religions with a linear divine history often depict hells as eternal destinations, the biggest examples of which are Christianity and Islam, whereas religions with reincarnation usually depict a hell as an intermediary period between ...
